

## Regents' Office Relocates

**FRANKLIN, TENNESSEE, March 2011 – Regents Health Resources, Inc.** announces the relocation of its offices from their long time location in Brentwood, Tennessee to the Franklin/Cool Springs area of Williamson County. As the healthcare industry presence continues to grow in middle Tennessee and to better prepare for continued growth, Regents has relocated to a new and growing area in the Corporate Center area of Cool Springs at I-65 and Cool Springs Boulevard.

According to Raif Erim, Regents' Sr. Vice President, *"Positioning our corporate offices in the immediate vicinity of some of the leading healthcare companies in the nation is not only convenient but is a strategic move for us as we continue the launch of new products and services for our clients. Our new location offers an array of benefits for us from more robust IT connectivity to an area that better reflects the quality our healthcare clients expect."*

Regents new location is 810 Crescent Centre Drive, Suite 100 Franklin, Tennessee 37067.
